NF Breathalyser Twin Pack Available today!

Did You Know...

From the 1st of November 2012 all vehicles travelling through France must carry a minimum of 2 NF approved Alcohol Breathalysers. If stopped by French Police failure to comply with the French Regulations would result in an on the spot fine.

Our NF approved Alcohol Breathalyser resolve any potential problems and are available in Twin Packs immediately.

Keeping You Legal. Keeping You Safe

You can't tell when the alcohol's cleared your system, but our Alcohol Breathalyser Twin Packs can.

Features:

- Shows your alcohol level in 2 minutes
- NFX20-702 approved and NF marked for use in France
- Approved for use in all European countries
- As used by the French Police Force for roadside screening
- When you pass the red line you are over the drink drive limit
- A minimum of 2 NF approved disposable breathalysers must be carried in your car at any time while in France
- Wallace Cameron code : 5001104

To order call: +353 (0)69 66006 or contact your local territory manager
