Micro First Aid and Lifestyle Range

All Astroplast branded products are also available in **private label** with content to suit requirements, subject to volume.

Our best selling and affordable Micro range features a comprehensive selection of compact and attractive kits containing plasters, wipes, dressings and other essentials for the modern lifestyle. The Micro is designed to hang on a eurohook or there is a selection of point of sale solutions available from Wallace Cameron. All products are internationally design registered and patent protected.

Micro Range
